MEMBER SPOTLIGHT

Hello, my name is Morgan Miller and I am the RC3 Coordinator. I have lived and grown up in Elm City, right outside of Wilson my whole life. I definitely call Wilson home. I am currently furthering my education in college and plan on continuing to do so for a while. I have a passion for helping people and trying to make a positive impact on this world.

In my free time I love to spend time with my friends and family, do church activities, and be outdoors. I also LOVE my dogs, they are family. I enjoy traveling and taking little vacations when it is possible. My favorite place to go is always the mountains. My favorite time of year is fall, not only because of the weather but because of the beautiful colors. My favorite food is seafood, and I do love a short visit to the beach.

I am thankful for the great team of people we have here at RC3 and I'm excited to help serve the Wilson community by providing much needed support and resources.

HIGHLIGHTS IN THE COMMUNITY

We had our Christmas Open House on December 8th, 2022. Many community members came and brought their donations for the Christmas Food & Toy Drive we were doing! We were able to give those donations to families in need the week after! Thanks again to everyone who participated!
